EXPERIENCE

Overture Center for the Arts

TEACHING ARTIST

2021-Present

- The Lullaby Project was originally established by Carnegie Hall's Weill Music Institute
- This project is available at the Overture Center for the Arts
- Helped expecting-parents compose lullabies for their children & newborns
- Collaborated with teachers, administrators, parents, & community members to create a positive learning environment for parents with newborns &/or toddlers

Rebemolo, LLC

COMPOSER, MUSICIAN, & TEACHER

2011-Present

- Created & adapted musical arrangements to meet the specific styles & needs of various projects
- Recorded demos, edited tracks, & ensured accurate transcription of notation into digital formats for client approval
- Applied skills in composition, orchestration, & audio production to Rebemolo, LLC, while performing as a string bassist with multiple ensembles & orchestras

Teachers On Call & EduStaff

SUBSTITUTE TEACHER

2021-2023

- Long-Term Substitute Orchestra & Art Teacher
- Building Substitute Elementary Teacher
- Interim Long-Term Spanish Substitute Teacher
- Provided instruction in place of absent teachers, following lesson plans & managing classrooms of up to 30 students
- Maintained a safe, organized, & disciplined environment while encouraging positive peer interactions through activities & games
- Met regularly with administrators, staff, & parents to discuss student progress, adhering strictly to confidentiality policies

Audio for the Arts

RECORDING STUDIO INTERN

2019-2020

- Learned to set up the studio for recording sessions & operate the camera for the "Acoustic Moose" live web concert series
- Assisted with recording session setups, including microphones, cables, computers, & amplifiers, while adhering to safety protocols
- Edited audio files using Pro Tools & placed microphones to optimize audio quality

Madison Area Technical College

PEER TUTOR

2012-2013

- Provided one-on-one peer tutoring in Music Theory, Spanish, English, & Algebra to improve academic performance
- Demonstrated teaching techniques & encouraged students to ask questions to engage them in the learning process
- Assisted students in developing study habits & facilitated small-group discussions to enhance comprehension
